A Theological Foundation For Accepting The Supernatural Bible Changes

There is now unequivocal, verifiable, objective evidence that all Bibles including the KJV are being supernaturally changed by the devil with God's permission.

EVIDENCE FROM SCIENCE

The chances of only five people misremembering five Bible quiz questions the SAME WAY is 10^{25} . Everyone including Pastors are misremembering 15+ Bible passages the SAME WAY every time. Not possible.

GOD HAS DONE THIS BEFORE

Amos 8:11, Lamentations 2:9, Psalm 74:9 Ezekiel 7:26, Micha 3:6. God has removed His word as judgment many times.

THEOLOGICAL NECESSITY IS NOT DOCTRINE

"If God inspired His Word, of course He will preserve it" is not a doctrine—it's a sentimental guess. (Matthew 15:9) inspiration \neq preservation.

EVIDENCE FROM PROPHECY

Amos 8:11, Daniel 7:25, Revelation 13:7, 22:18, 2 Thess 2:9 all predict this deception.

EVIDENCE FROM EXPERTS

Theologian & author Dr. Paul Grafton-Holt confirms: the Bible is being altered supernaturally.

PRESERVATION VS INACCESSIBILITY

A tower of Babel type judgment on the Bible makes it inaccessible while still being preserved in our hearts.

"THE WORD" IS NOT THE BOOK

John 1:1 and Revelation 19:13 define the term "the Word" as Jesus NOT Scripture. Promises to preserve "the Word" do not mean the Bible

PROMISES MISINTERPRETED

Preservation promises rarely specify **where** the word will be preserved, and when they do, it's never on paper. (2 Corinthians 3:3). ("Not with ink")

THE SCRIPTURES CAN CHANGE

Scripture has been changing since its inception (7 covenants, Heb 8:6 Matthew 5:21, Galatians 2:11, Leviticus 3:17 vs. Romans 14:20).

"GOD DOESN'T CHANGE" \neq BIBLE PRESERVATION

Hebrews 1:10–12 teaches that what God creates can wear out and be changed. God remains the same; His creations do not.

WHY WOULD GOD ALLOW THIS?

Because the church has idolized the Bible. Many preach 'bookianity' instead of Christianity.

SUBSTITUTE FOR POWER

Without spiritual power, churches substitute doctrine and Bible study, replacing transformation with intellectualism.
