- 2) I have no history of mental illness

 - a. A born-again Christian since _____ date
 - b. I have studied the bible for _____ years
 - c. My present vocation is _____
 - d. A notable past vocation was _____
 - e. Publications, awards, degrees, credentials

It is my belief that the phenomenon known as the Mandela Effect is occurring worldwide to fulfill end times prophecies. It is my belief that the experience of having vivid memories of things that never existed is not misremembering and cannot be explained with naturalistic reasons.

It is my sworn testimony that the Mandela Effect is also supernaturally changing the Bible in its entirety.

Virtually all passages in all translations are being rewritten through some process that is unknown to me. The changes reflect dramatic changes to doctrine and are mysteriously going unnoticed by the majority of Christians. It is my hope that my sworn testimony will help to establish some credibility to those that are testifying that this is a real event.

I declare under the penalty of bearing false witness before God and as recognized under the laws in the United States of America, acting with sincere intent and full standing in law, do herewith certify and state that to the best of my knowledge and understanding, my statements are true and admissible as evidence, and not intended to mislead anyone, and that _____ (PRINT YOUR NAME) executes this document in accordance with his/her best knowledge and understanding.
